

ARC Report to the Board for 2025

Prepared for the Annual Meeting January 22, 2026

ARC reviewed and approved more than 19 ARC requests from homeowners during 2025. The Committee appreciates the continuing cooperation of homeowners in working through the approval process with ARC, to provide the additional information required to complete the ARC review.

ARC reviewed and approved the addition of Sherwin Williams paint colors and approved one new roof tile. These have been included on the GEOTL website.
